

TÜRK FORUM 2026 FINAL PROJECT APPLICATION PROCESS HAS BEGUN!

The evaluation of preliminary project applications for Türk Forum 2026, organized to strengthen scientific, technological, and academic cooperation across the Turkic world, has been completed. Notification emails have been sent to participants eligible to submit a final project application.

Applicants eligible for the final stage must download and complete the Final Project Application Form from our website, sign and scan the General Participation Commitment and Declaration Form, and submit all documents together to proje@ivedikosb.org.tr no later than 3 November 2026.

Applications that do not comply with the formatting and content requirements specified in the application form, or that are missing required documents, will not be considered.

IMPORTANT INFORMATION

- **Final Program and Award Ceremony:** The Türk Forum 2026 final project presentations, workshop program, and award ceremony will take place in Ankara on 8–10 December 2026. The award ceremony will be held on 9 December 2026.
- **Travel and Accommodation:** Flight tickets and accommodation expenses for the 10 finalists selected for the final stage will be covered by İvedik Organized Industrial Zone.
- **Visa Procedures:** Finalists traveling from abroad are responsible for arranging their own visa applications and covering all related costs. Participants who cannot attend the program because a visa is not issued or due to any visa-related issue will not be entitled to make any claim or seek compensation.
- **Mandatory Program Participation:** Finalists must comply with the official event schedule prepared by İvedik OSB throughout the program on 8–10 December 2026 and attend all activities scheduled for them.
- **Application Language:** Final project applications will be accepted only in Turkish or English.

Application Deadline: 3 November 2026
